Life Safety Organization Educational Session Speaker BIO's

Bill Koffel, PE, FSPE, Koffel Associates

Bill Koffel is President of Koffel Associates, Inc, a fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Bill and his team of engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation / representation; and litigation support to public and private clients worldwide.

Bill remains active in the development process of the industry's governing codes, standards and design guidelines including the American Society for Testing and Materials (ASTM), International Association of Plumbing and Mechanical Officials (IAPMO), International Code Council (ICC), International Fire Code (IFC), International Building Code (IBC), International Code Council Evaluation Service (ICCES), International Existing Building Code (IEBC), National Fire Protection Association (NFPA), Society of Fire Protection Engineers (SFPE) and Underwriters Laboratory (UL). A former code official with the Maryland State Fire Marshal's Office, he is Past President of the Society of Fire Protection Engineers, and co-authored the "Fire Warning and Safety Systems" American Hospital Association manual which serves as the industry's guide to selecting, testing, and maintaining fire suppression, fire alarm, and smoke control systems.

Bill Johnson, Managing Director, Foundation for Life Safety and Security of DHI

Swinging Fire Door and Hardware Industry

Mr. Johnson is the executive director of the Foundation for the Advancement of Life Safety and Security. The Foundation, in coordination with the Door and Hardware Institute provides education, research, goodwill programs and creates awareness that raise the level of understanding that door related products and total fire protection systems can bring to building occupants. Mr. Johnson also plays a key role in membership and state chapter related programs.

Bill Johnson, Managing Director, Foundation for Life Safety & Security
